

AYA, Aguirre y Aranzabal
Fábrica de Armas de Fuego / Gun Makers - Since 1915

Dear client,

In the name of AYA, you are really greeted for the choice of purchasing an exclusive and limited edition gun, which celebrates our Centenary.

This special sidelock shotgun distils the knowledge and skill of master gunmakers over the last 100 years and combines it with modern manufacturing techniques and the most up-to-date materials in today's gunmaking world.

The 'Centenary model' will be a limited edition, restricted to 300 units worldwide and embodying exceptional characteristics; selected walnut stocks of the finest quality, stunning bold scroll engraving and a level of fit and finish of the highest order.

You own the 057 out of 300 guns

You can be proud to be one of the only 300 owners of an AYA Centenary model in the whole world.

We hope you enjoy your hunting with this exclusive model, specially designed and manufactured attending to the suggestions of our distributors and the best gunsmiths of our company.
